

# The NEWBDev Safety Policy, Terms & Conditions & Liability

## 1. Security & Data Protection

At NEWBDev, we are committed to providing secure, reliable, and high-quality digital services. We prioritize the safety of websites, systems, and data, applying modern technologies and industry best practices throughout website development, maintenance, and digital marketing processes.

NEWBDev implements security measures such as regular updates, monitoring, backups, and secure development standards to protect digital products from unauthorized access, data loss, malware, and other risks. All client information is treated as confidential and used strictly for project-related purposes. We do not sell or share client data with third parties without consent, except when required by law.

## 2. Terms of Use

By using the NEWBDev website or services, you agree to comply with these Terms & Conditions. NEWBDev provides website development, design, SEO promotion, advertising, maintenance, and related services based on agreed project scopes, timelines, and requirements. Any changes or additional requests may affect delivery time and cost and require separate approval.

## 3. Intellectual Property Rights

All designs, code, content, and materials created by NEWBDev remain the intellectual property of the company until full payment is received, unless otherwise agreed in writing. Upon project completion and settlement, usage rights are transferred according to the agreed terms.

## 4. Client Responsibilities

Clients are responsible for providing accurate and timely information, content, and materials necessary for project execution. NEWBDev is not liable for delays or issues caused by incomplete, inaccurate, or late client input.

## 5. Limitation of Liability

NEWBDev makes every reasonable effort to deliver stable and high-quality services; however, we do not guarantee that websites or systems will be completely error-free or uninterrupted. NEWBDev is not liable for any direct or indirect damages, loss of data, loss of profit, or business interruption resulting from the use or inability to use our services, except where required by applicable law.

## 6. Third-Party Services

We are not responsible for issues related to third-party services, including hosting providers, plugins, external platforms, advertising systems, or software tools. Responsibility for such services remains with their respective providers.

## 7. Policy Updates

By continuing to use NEWBDev services, you acknowledge and accept these terms. NEWBDev reserves the right to update or modify this policy at any time without prior notice.
